Weightlifting Invitational

Weightlifting is an important part of the success of our football program, consistently optimizing the performance of our athletes. In addition to off-season workouts, many of our football players participated in the Weightlifting Invitational in February. Navarre hosted Milton, Choctaw, Niceville, Crestview, Pace, and Fort Walton Beach, and won first place!

Mardi Gras Parade Navarre Beach

Special thanks to members from the Navarre Raiders Quarterback Club for constructing the 2018 Mardi Gras float and to all the coaches and players that represented! Literally starting with scraps of wood, the crew put together an awesome float. Hope to see you all out there next year!

Navarre High School Off-Season Program

Our athletic department is fortunate to have coach Bagley leading the strength and conditioning program for our football, boys and girls weightlifting, and track student athletes. Coach Bagley is not only concerned with athletic development, but more importantly, injury prevention. The program has proven a HUGE benefit to our student athletes.

2018 Recruiting Fair For Seniors

As soon as college seasons ended, representatives from Methodist (NC), Kentucky Christian (KY), Lyons (AR), Huntingdon (AL), Weber (FL), and Adrian (MI) came to Navarre high school's recruiting fair to visit with our current senior players. Feedback from these coaches was that they were very impressed with our students athletically and academically. We will keep you posted as players make their final decisions this winter. Special thanks to the Mom's Club for bringing lunch and hats off to Firehouse Subs for giving us a great deal!

NHS Alumni

We'll be following our Navarre Raiders alumni as they pursue the next level. For now, we're posting photos, but will continue to work and develop this section of our newsletter. If you know a Navarre Raider football alum, please email player name/pictures to lorimckenna19@gmail.com and we'll be happy to post in our next newsletter!
