FHSAA Announces Reclassifications

**ARE
YOU
READY
FOR
SOME
FOOTBALL**

The FHSAA (Florida High School Athletic Association) announced football reclassifications for the state of Florida, dividing teams into eight classifications based solely on each member school's enrollment size. Reclassifications will take effect during the 2019 season, concluding at the

end of the 2020 season, at which point the FHSAA will review the classifications. Navarre will move up from 6A to 7A and, with it, gain some new competition. Check out our schedule and **PLEASE NOTE** that both the Leon and Lincoln times are Eastern Standard Time.

LET'S GO RAIDERS!!

NHS RECRUITING FAIR FOR SENIORS

Each year Coach Walls organizes and hosts a recruiting fair for the football program, inviting players from other local schools to participate. Representatives from 12 schools came to Navarre high school's recruiting fair, nearly doubling the number from last year, to visit with our current senior players. As the event continues to grow, we consistently get feedback from these coaches that they are very impressed with our students athletically and academically. We will keep you posted as players make their final decisions this winter. We would like to extend a special thanks to Coach Tony Carter for managing the day's event and Mom's Club for coordinating lunch from Firehouse Subs.

NAVARRE HIGH RAIDERS LIFT-A-THON

Bench / Clean Maxes Combined

The annual Lift-a-Thon continues to be a successful event providing some healthy competition among players while simultaneously raising funds to support our ongoing need for equipment for the boys weightlifting and football programs. The Varsity/JV squads completed the event in February and the freshmen will begin their Lift-a-Thon at the end of March.

NHS WEIGHTLIFTING INVITATIONAL

Weightlifting is an important part of the success of our football program, consistently optimizing the performance of our athletes. In addition to off-season workouts, many of our football players participated in the Weightlifting Invitational in February. Navarre hosted Pace, Choctaw, Pensacola, Fort Walton Beach, Crestview, Niceville, and Washington high schools and won first place! Congratulations to the team and to Coach Bagley, Weightlifting Program Director, and to Mom's Club for manning the concessions and admission!

NAVARRE BEACH MARDIS GRAS PARADE

Our participation in the annual Mardis Gras parade on Navarre Beach continued again this year and with a new float to boot! Special thanks to Kevin and Feather Dillard on the creation of this beautiful pirate themed representation, which took two months to build with lumber donated by Navarre Lumber. We'd also like to recognize Betty and Mitch Melendez and Kevin and Feather Dillard for attending the pre-event meeting. Additionally, a shout out to David Higgenbotham for driving the vehicle that pulled the float, Mylania and Mo Rustom, Daphne Moon, Stacey Greenhaw, Coach Greenhaw, Coach Whiting for support in various capacities, and all those that donated beads that the players threw to the crown and Mom's Club for coordinating and managing the event.
